Here, there is always something to do: enjoy beautiful evenings with friends, shop at a typical Spanish market, ride a bike through the fields, enjoy the famous traditional "Fiestas", go shopping at Zenia Boulevard, Habaneras or L 'Aljub, or simply enjoy a beer or a coffee in the many terraces in Dolores.

RESIDENCIAL ParísVII

Paris VI Residential is a wonderful, luxurious and great house complex... I could keep going, but you already know it. Because at the end... everyone says the same. But, what is so special about our houses? Firstly, our company does everything, from building them to sell them. We are responsible of the 100% of the process. Secondly, there are no companies which have an

after-sales service as effective as ours. We not only accompany you during the selling process but we are also with you afterwards, as much as you want. Finally, we know that you all don't want the same, so we help you to personalise and adapt the houses to your own needs. Because if someone wants pink walls and 8 bathrooms, we'll help you choose the taps.
